A Close Contest.

PHILADELPHIA, Sept. 18.—To-day's game between Philadelphia and Cincinnati was close to the finish, and the victory of the locals was due principally to Newton's wildness. After the second inning, Fraser kept the visitors' hits well scattered. Score: Cincinnati, 4, 0, 0, 0, 0, 0, 0, 0, 4-12.

Philadelphia, 1, 0, 0, 0, 0, 0, 0, 0, 1-6.

Weighing started the pitching, but after McGraw had walked, Burdett had lined out a homer and Heidrick received another pass, Kennedy was substituted. It made no difference, the visitors' batting hard. Young pitched good ball at all times, and the errors helped him were not costly. McGraw made four hits in the five times at bat. Score: St. Louis, 2, 0, 0, 1, 1, 2, 0, 0, 8-13.

To Meet To-Night.

This evening at 8 o'clock the captain of the Wheeling Bowling League teams will meet at Brandt's hall, Corner Chapline and Twenty-sixth streets, and

make the final arrangements for the opening of their tournament on October 1st. They will also pick one representative from each team to compose the team that will be pitted against the Cecilia boys, of Allegheny, in the inter-city match next Sunday afternoon, at Fette's alley. The captain of the Cecilia club wrote Secretary Fette yesterday, saying that they will have a special leaving Wheeling on the Baltimore & Ohio for Pittsburgh Sunday evening at 11 o'clock, and that about 200 of the club's friends will accompany them to Wheeling.

WILL BE A GREAT SCRAP.

Tremendous Interest Being Shown in the Approaching Fight Between Kennedy and Bennett—The Forfeits Were Received Yesterday.

It is assured beyond the least doubt that when Eddie Kennedy and Jack Bennett, of Pittsburgh, face each other next Monday evening, in the arena of the Metropolitan Athletic Club, in the twenty-round battle that will settle the title of supremacy between this pair of great fighters, that it will be in the presence of the largest crowd that has ever jammed that place of pugilistic entertainment. Although the scale of prices has been raised for this battle—whereat there has not been the slightest kick—the orders are pouring in for the select seats from Pittsburgh, Sistersville, Mannington, Cleveland, Youngstown and many other neighboring cities and towns, in such numbers that it seems likely there will be few or no tickets to sell when the doors are opened on the evening of the contest. Pittsburgh alone, it is predicted, will furnish nearly enough spectators to fill the arena. They come on a special train on the Pan Handle, and will return the same night.

The local stake-holder yesterday received from the managers of Bennett and Kennedy the forfeits for the pair, \$100 each. The club last night deposited its forfeit of \$200. The men's forfeits are for weight and appearance.

THE CIRCUS TO-MORROW.

Wallace Shows, One of the Best Circuses on the Road, the Attraction.

One of the greatest difficulties that the managers of the great modern circuses have to contend with is the dearth of acrobatic equestriennes. Not one girl out of a thousand who achieves success, and not one out of a hundred of those who succeed ever attain eminence. In all the world there is probably not more than a dozen who are considered truly great. At the head of this little coterie of celebrities stands beautiful Blanche Reed, this season under engagement to The Great Wallace Shows.

In point of poise, grace, dash and daring agility her riding simply defies all description. Nothing she does looks difficult nor appears to require effort. She is secure and as much at home in her unstable position on the heaving, bounding back of a galloping horse as is a society belle on a ball room floor.

Her routine of repertoire of feats and evolutions is so varied that she can completely change her act at every performance for days at a time. In all she does there is naught that is commonplace. She scorns the ordinary and abhors the conventional. In the vernacular she begins where the others leave off, and ends in an unapproachable achievement of acrobatic agility that is at once paradoxically unattainable and past belief unless seen with one's own eyes.

She is with the Great Wallace Shows, which appear here to-morrow afternoon and evening.

AMUSEMENTS.

If you want to enjoy a good laugh and forget your troubles go and see Isham's "King Rastus" at the Opera House, Monday and Tuesday, September 24 and 25, next week. Billy Kerns heads the fun makers, assisted by all of the favorites, Smart and Williams, Mallory Brothers and Brooks, S. H. Dudley, Tom Brown, Eva La Rue, Alberta Ormes and a large chorus of the prettiest octoroons you ever saw. The scenery is magnificent and the costumes gorgeous. Fun reigns supreme from the beginning to the end. "King Rastus" is right up-to-date and contains besides rattling comedy, all of the latest songs, dances and choruses of the day. Numerous specialties are introduced by the leading members of the company, and the entire production is one of music and mirth.

"A Ragtime Reception."

This laughable musical mix-up is one of roar and laughter from start to finish, and was thoroughly enjoyed by large audiences last season. It will be presented at the Grand the last half of the week. It is a bright, happy musical melange, complete in funny sayings, amusing complications. Incidental to the play, many new, original and unique specialties are introduced by the members of the company. The company numbers twenty people, among whom are, Kitty Marcellus, John H. W. Byrne, the Davallus, Nettie Traubau, Arthur Lane, Kate McIndiger, Harry Wise, Edward Hume, Catharine Ravare, Florence Rother, Maud Gale, Frank Chapin and Lee Olean Smith, musical director. Mr. Hal King, manager.
